

CHAMPIONSHIP REGULATIONS

PERMANENT MAKEUP

1. PARTICIPATION RULES

- Only a master who has completed training in permanent makeup is eligible to participate.
- Before registration and payment for the online championship, the master must provide a diploma or certificate confirming completion of basic training.
- Based on the submitted training certificate, the participant is assigned a category: Junior, Pro, or Expert.
- A master who provides training must attach an instructor certificate or diploma. If the organizers discover that the master concealed the fact that they conduct training, all of the master's works will be disqualified without a refund.

2. PARTICIPANT CATEGORIES

- Junior — work experience up to 1.5 years.
- Pro — work experience from 1.5 to 4 years.
- Expert — work experience of more than 4 years.
- A participant may enter the same nomination only once.

3. CHAMPIONSHIP DATES

- The online championship is held in real time.
- Registration closes on February 20, 2027.
- Championship: March 1-15, 2027.
- Judging: March 1-15, 2027.
- Results announcement: March 16, 2027.
- The organizers reserve the right to extend the championship period.

4. RULES FOR SUBMITTING THE COMPETITION ENTRY

- Within 15 minutes after the end of the championship, the permanent makeup master must submit the required photo and video materials.
- The methodologist will send instructions for submitting the competition entry in advance.

5. PARTICIPATION RULES (DISQUALIFICATION)

- Publishing the competition entry on social media before the results are announced.
- Stating the participant's full name in video materials.
- Certificates, diplomas, logos, or trophies bearing the participant's full name appearing in photos or videos.
- Submitting less than 90% of the total photo and video materials specified in the regulations.
- Using retouching/Photoshop. Special effects, etc. are permitted ONLY in the video presentation featuring the final look.
- Poor-quality photo or video materials.
- Using petroleum jelly, photo oils, anti-swelling products, etc.
