

CHAMPIONSHIP REGULATIONS

EYELASH EXTENSIONS

1. GENERAL PROVISIONS

- The championship is held online.
- Only a master who has completed training in eyelash extensions is eligible.
- If the master is self-taught, information confirming the start of professional activity must be provided, including photo or video evidence.
- Before registration and payment, the master must provide a diploma or certificate confirming completion of basic training.
- Based on the training certificate, the master is assigned a participation category: Junior, Pro, or Expert.
- A master who provides training must attach an instructor certificate or diploma. If the organizers discover that the master concealed the fact that they provide training, all of the master's works will be disqualified without a refund.

2. PARTICIPANT CATEGORIES

- Junior Master — work experience up to 1.5 years.
- Pro Master — work experience from 1.5 to 4 years.
- Expert Master — work experience of more than 4 years.
- Trainer/Instructor — team classification.
- A participant may enter the same nomination only once.
- A higher category may be indicated; lowering the category is prohibited.
- The same nomination may be purchased an unlimited number of times; only the single work with the highest score receives a prize place.
- The category is determined by the master's work experience from the first basic training and is considered as of the submission date.

3. CHAMPIONSHIP DATES

- Registration closes on February 20, 2027.
- Championship: March 1–15, 2027.
- Judging: March 1–15, 2027.
- Results announcement: March 16, 2027.
- The organizers reserve the right to extend the championship period.

4. PAYMENT AND COST

- Payment must be made within 5 days after submitting the application; an internal installment plan is available.
- Work may begin only after payment and assignment of a participant number.
- Registration fees are paid on a voluntary basis.
- The participation fee increases as the season closing date approaches.

5. COMPETITION ENTRY SUBMISSION

- The methodologist sends submission instructions in advance. All instructions are also duplicated in the participants' Telegram channel; joining the chat is strongly recommended. The championship methodologist provides the link.
- Each work must be uploaded to a separate folder on the participant's drive (Google, Yandex, Mail, etc.). **IMPORTANT:** the drive must not be renamed with the participant's first or last name.
- Folder name: nomination + category.
- **IMPORTANT:** access to the work folder must be open.

6. PARTICIPATION RULES (DISQUALIFICATION)

- Publishing the competition work on social media before the results are announced.
